

MURKLE MUTTS

07792 856574

Licensed by Highland Council and fully insured, Murkle Mutts offers an alternative to kennels.

Relax knowing your dog is being loved and cared for in a comfortable home environment.

I offer plenty of exercise, fun and snuggles on the rug.

The service that Murkle Mutts offers is bespoke. Your dog/s will be the only ones staying for the duration of their visit. So if your dog is nervous or just grumpy around other dogs no need to worry, they can have a peaceful and stress-free stay in the country receiving all the attention they require to settle in quickly.

Unsure how your dog would cope with home boarding?

Apprehensive about being away from your favourite furry for long?

Why not try a taster day or get in touch and we can hatch a plan that will work for you and your dog.

Please phone or message Zoe for more information or to arrange a meeting.

Prices - £20 per day for 1 dog, £30 for 2 dogs, £40 for 3 dogs and £50 for 4 dogs.

Please note we charge by the day rather than per night, this is because we don't have set drop off and pick up times in order to accommodate your schedules as easily as possible.

e.g. Tuesday - Friday is 4 days.
